

## **Itchenor Rally – August Bank Holiday 2017**

Eight boats were booked and on arrival we were lucky enough to take over the mid river pontoon. Most boats had arrived by mid afternoon and even a ninth boat turned up to find out what went on at a GCCC Rally.

The weather was a cloudless sky and eventually everyone got out their dinghies, some hadn't seen daylight or air this year but surprisingly all survived the few trips to the Itchenor jetty. A pontoon party was held with excellent canapes coming from Shibumi and we then all set off to the shore for an excellent meal in the Ship Inn on a table for 19.

On Sunday morning a walk was organised along the shoreline to Chichester Marina where a few refreshments helped before returning to the boats.

Most boats headed off around lunch time still under clear skies and a light breeze.
