

Port Hamble Rally

Six boats headed for the Hamble on a glorious sunny weekend. Those leaving Portsmouth had a southerly wind force 3-4 which lasted until most of the boats were in Southampton Water. Cadh Ruadh having left Northney ran out of wind off Gilkicker and had to motor until the wind filled as she reached Southampton Water.

All the boats berthed in Port Hamble except Shibumbi who moored at the RAF club. A good pontoon Party was held alongside Cadh Ruadh watched by Wispa from the cockpit.

A Greek themed dinner was held at the RAF Club and we were well looked after in a pleasant environment.

Everyone left fairly early on Sunday to make the most of the tide, but all had a pleasant weekend.
